Spring Love Pack:

Growing Christmas Magic Through Love

*Love is something we give, receive, notice,
and grow to create Christmas Magic*

Welcome to the Spring Love Pack

This little bundle is a gift from the North Pole to your home – filled with small moments, gentle connections, and simple ways to grow Love in everyday life.

Inside, you'll meet Amara, the Love Elf, discover meaningful ways to share kindness and connection, and enjoy thoughtful reflections and cozy moments to experience together.

Love doesn't need to be big or complicated to be powerful. It lives in the little things – a kind word, a helping hand, a quiet moment of listening, or a warm hug shared.

May each page remind you that Love is always growing – in what you give, what you receive, and what you notice each day.

Mrs. Claus's Intro Letter for the Spring Christmas Magic Bundle

My dear friends,

As the world begins to bloom again, I find myself thinking about one of the most beautiful kinds of Magic we have...Love.

Not the kind that needs big moments or perfect plans, but the kind that shows up in everyday ways – in kind words, helping hands, and simply being there for one another.

Here at the North Pole, we see it everywhere. And the most wonderful thing is this...Love grows. The more we give it, the more it spreads – bringing warmth, connection, and a little extra Magic to the world around us.

Inside this bundle, you'll find simple ways to notice, share, and grow Love together. However you use these pages, I hope they remind you:

You are part of the Magic.

*With warmth and a heart full of blooming Magic,
Mrs. Claus*

And two recipes from Mrs. Claus's kitchen — sweet treats made for sharing with someone you care about.

This bundle is our way of saying thank you for being part of the Circle and for helping keep the Magic growing all year long.

However you choose to use these pages — a little at a time, all at once, or saved for a quiet moment together — we hope they bring warmth, connection, and a little extra Love to your home.

With gratitude and love,
The Santa Legacy Team

Print this double-sided, if your printer does it. If your printer does not do double-sided, print the first side, then flip the paper over on the long side (so the image is on the edge going into the printer) and insert into the paper tray and then print the second page.

Kind Words Moment

Kind words are one of the simplest ways to share Love. Tell someone something you appreciate about them – it might be just what they need to hear.

Helping Hands

Look around and notice where you can help – at home, at school, or out in the world. Love often shows up in the quiet ways we take care of one another.

Love Note Surprise

Write a kind message or draw a picture and leave it somewhere for someone to find. A small surprise can create a big moment of Love.

Heart Check-In

Sometimes the best way to show Love is to listen. Take a moment to truly hear someone – without rushing or interrupting.

Gratitude Hug

Give a hug, a smile, or kind words, and let someone know what you love about them. Love grows when we share it out loud.

Quiet Love Moment

Sit together, read, talk, or simply be near each other. Love doesn't always need words – sometimes just being together is enough.

Spring Love Recipes From Mrs. Claus's Kitchen:

Mrs. Claus's Share-With-Someone Strawberry Shortcake Cups

When the first signs of spring begin to show, we love making something sweet to share. These little cups are simple, bright, and perfect for giving to someone you care about.

Ingredients

- 2 cups strawberries, sliced
- 2 tablespoons sugar
- 1 cup whipped cream (store-bought or homemade)
- 1–2 cups pound cake or shortcake, cut into small pieces

Directions

1. Mix strawberries and sugar in a bowl. Let it sit for 10–15 minutes until juicy.
2. In small cups or bowls, layer cake pieces, strawberries, and whipped cream.
3. Repeat layers and top with a little extra cream or a strawberry slice.

Optional Magic:

Make an extra cup and deliver it to someone — a neighbor, a friend, or someone in your home.

Mrs. Claus's Bake & Share Sugar Cookies

Some treats are meant to be shared, and these are one of our favorites. Soft, simple, and perfect for decorating with a little extra Love.

Ingredients

- 1 cup butter, softened
- 1 cup sugar
- 1 egg
- 1 teaspoon vanilla
- 2½ cups flour
- ½ teaspoon baking powder
- ¼ teaspoon salt

Directions

1. Preheat oven to 350°F.
2. Cream butter and sugar until smooth.
3. Mix in egg and vanilla.
4. Add flour, baking powder, and salt. Stir until dough forms.
5. Roll out dough and cut into shapes (hearts are always fun).
6. Bake 8–10 minutes until edges are just golden.
7. Let cool and decorate if you'd like.

Optional Magic:

Wrap a few cookies and give them to someone with a kind note.

However you stir it — fast or slow — the Magic is in the warmth you share.

Amara- the Love Elf

Love Elf's Introduction

Hello there, friend!

I'm Amara, the Love Elf, and I carry a glowing heart to remind me of something special. Even the smallest act of Love can brighten someone's day. Love works the same way – it begins with caring, noticing, and choosing to connect.

When you slow down and look closely, you'll find Love all around you: in kind words, helping hands, warm hugs, and the little ways people show they care.

This spring, I invite you to be a Love Keeper. Let your heart lead the way, your kindness shine, and your actions grow the Magic around you. And don't forget – you can color me in to bring my glowing heart to life!

*With warmth and a heart full of Magic,
Amara the Love Elf*

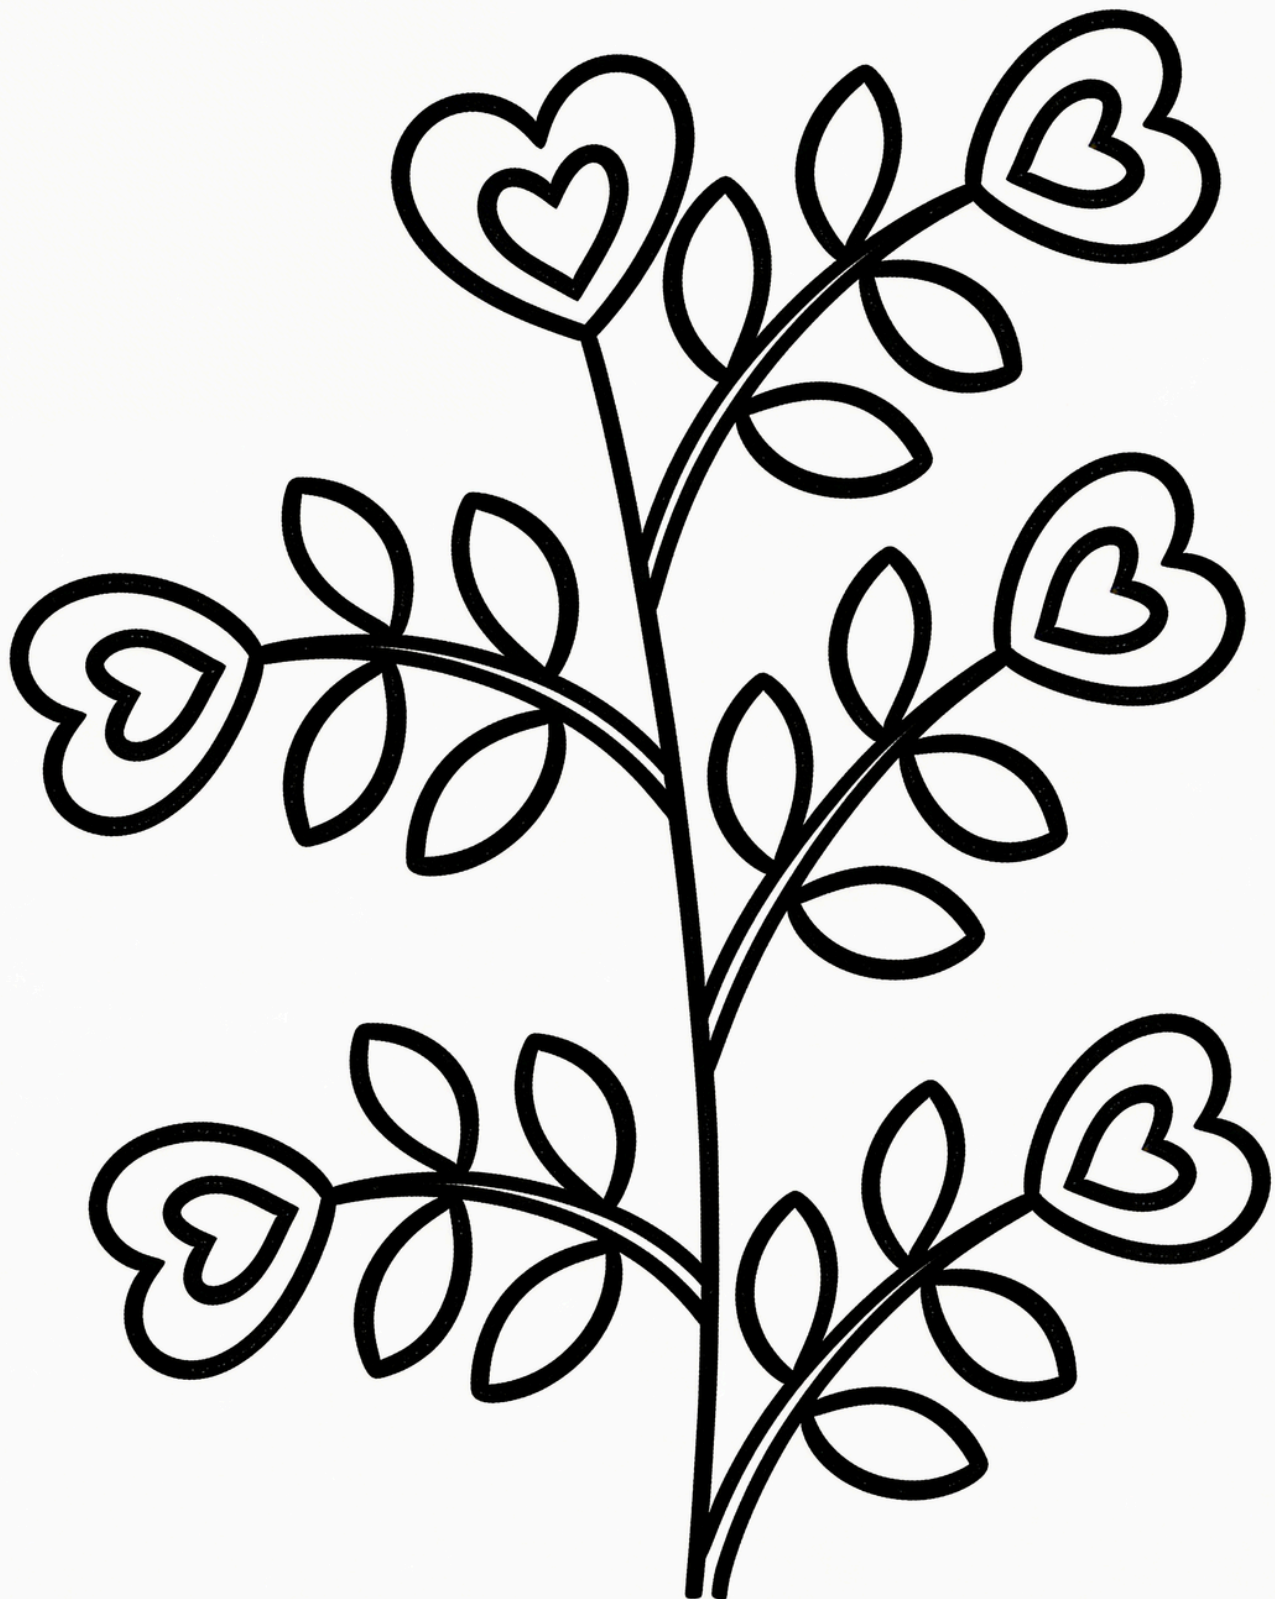

A Note from the Elves

Love can look many different ways. Some people show it with hugs, some with kind words, and some by helping or simply being there when it matters most.

People are a little different in how they give and receive Love – and that's part of what makes it so special.

As you color these hands, remember:

the Love you share is part of your Magic – and it has the power to brighten someone's day.

Love grows when you share it with others

A Note from the Love Elf

Love is a lot like something that grows.

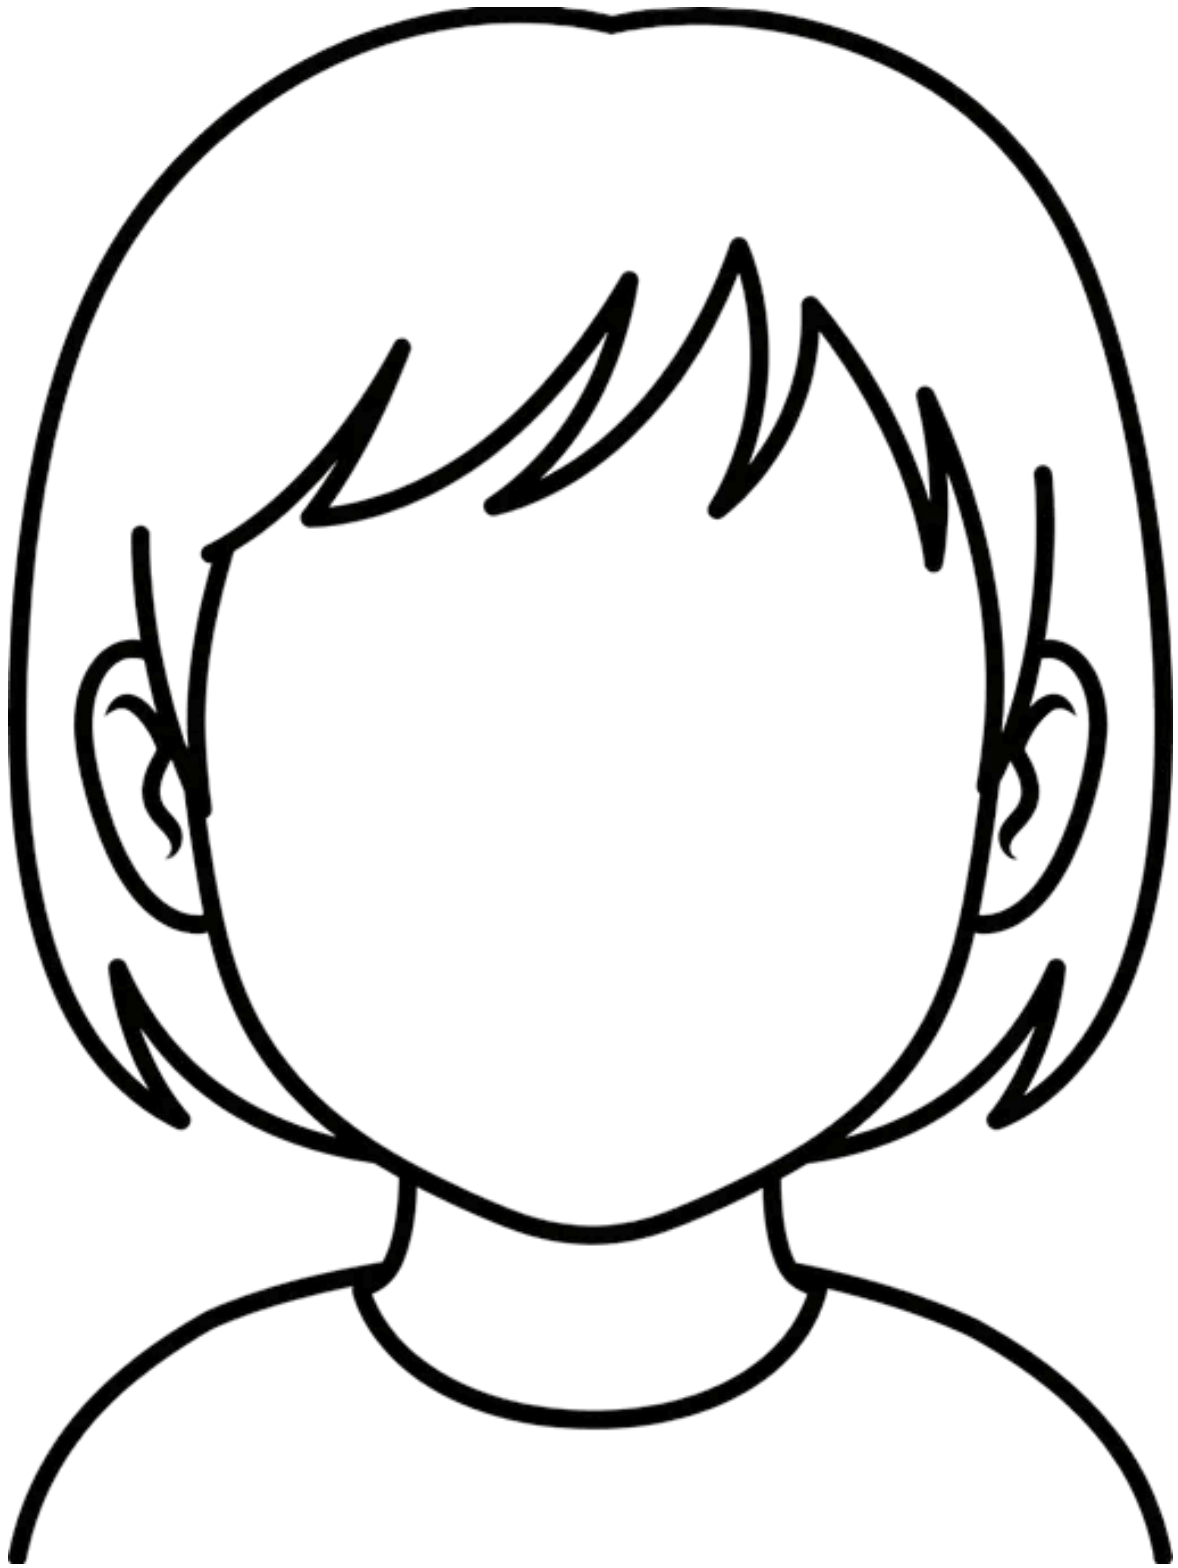

When you share it, it doesn't get smaller – it grows bigger and stronger.

A kind word, a helping hand, or a caring moment can plant a little seed of Love.

And when those moments are shared, they begin to bloom in beautiful ways.

As you color this page, remember:

the Love you give has a way of growing far beyond what you can see.

*Draw a face showing how someone feels when
they are loved*

A Note from the Love Elf

Have you ever noticed how it feels when you are truly loved?

Sometimes it looks like a smile, bright eyes, or a peaceful, happy face.

Love can make us feel safe, seen, and cared for – and those feelings can shine in so many different ways.

As you draw this face, think about what Love feels like to you...

and how you can help someone else feel that way, too.

I said something kind 

 **I did something thoughtful**

I showed patience 

I made someone feel included 

I listened carefully 

 **I shared something**

 **I helped someone**

 **I gave a hug or smile**

My Love in Action

Draw or write about one way you shared Love today:

How did it make someone else feel?

How did it make YOU feel?

Want to keep the Love growing?

We've tucked a Spring Love Quest inside the Santa Legacy app — a quiet way to notice beauty, spark imagination, and carry this magic into everyday moments.
