

Your Snowflake Story

Each snowflake is unique and beautiful...
and so are you.

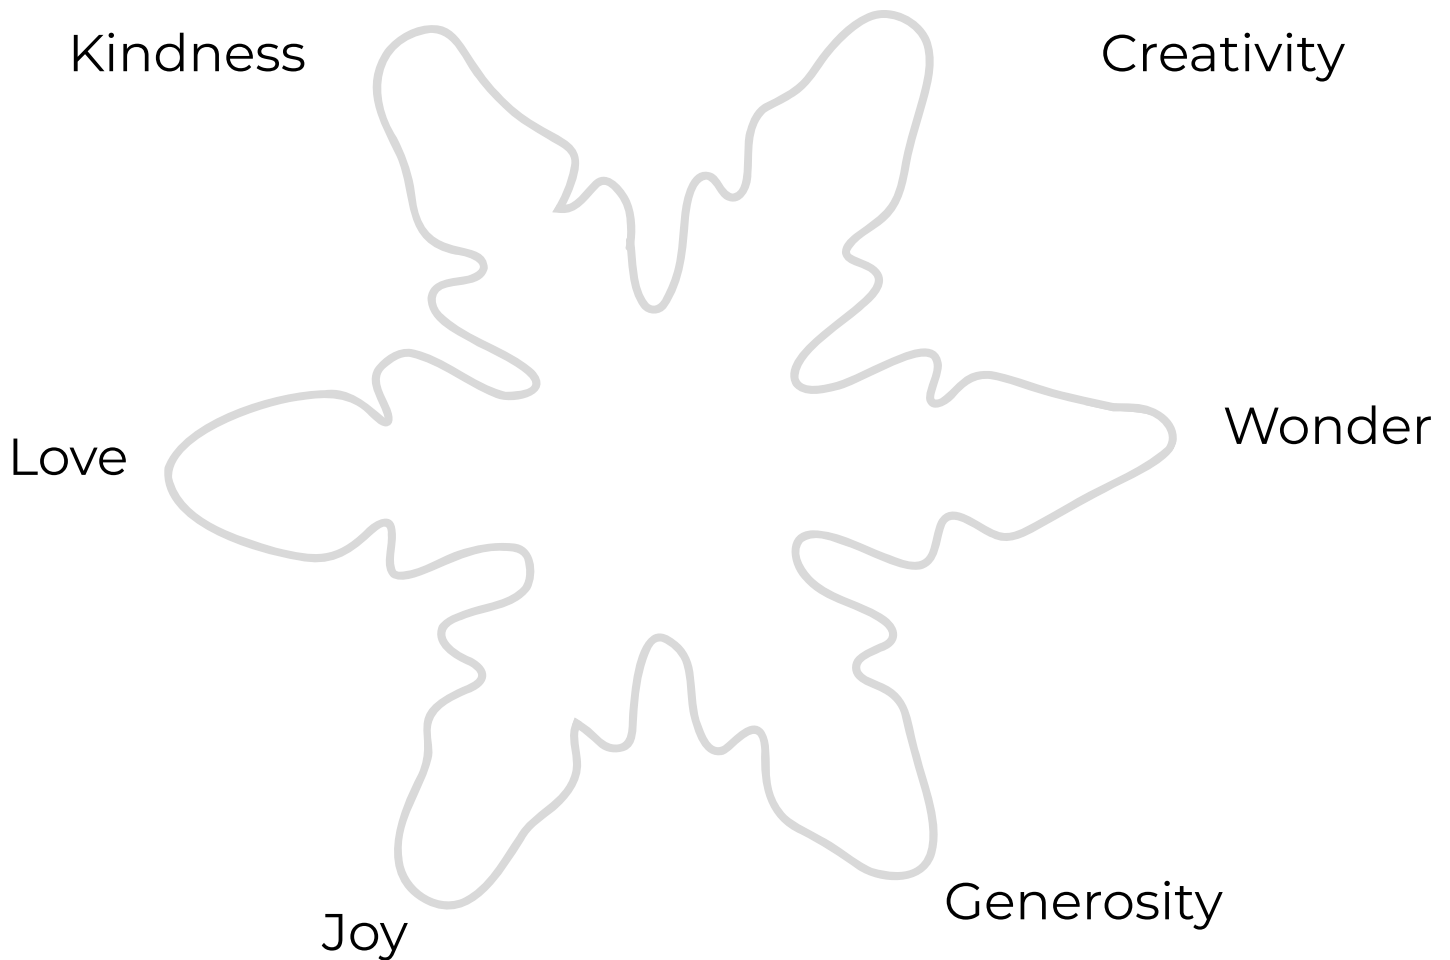

Design your snowflake in a way that shows what makes you you.

One thing that makes me unique:

Something I love about myself:

A way I can share my “magic” with others:

What Makes You Unique?

Each snowflake is made up of many beautiful pieces... just like you. Inside each section of this snowflake, write or draw something that reflects that part of you.

You might think about:

- A way you show kindness
- Something that fills you with wonder
- A way you share or give to others
- Something you love to create or imagine
- Moments that bring you joy
- The love you give and receive

There are no right or wrong answers... just pieces of the wonderful, one-of-a-kind person you are.

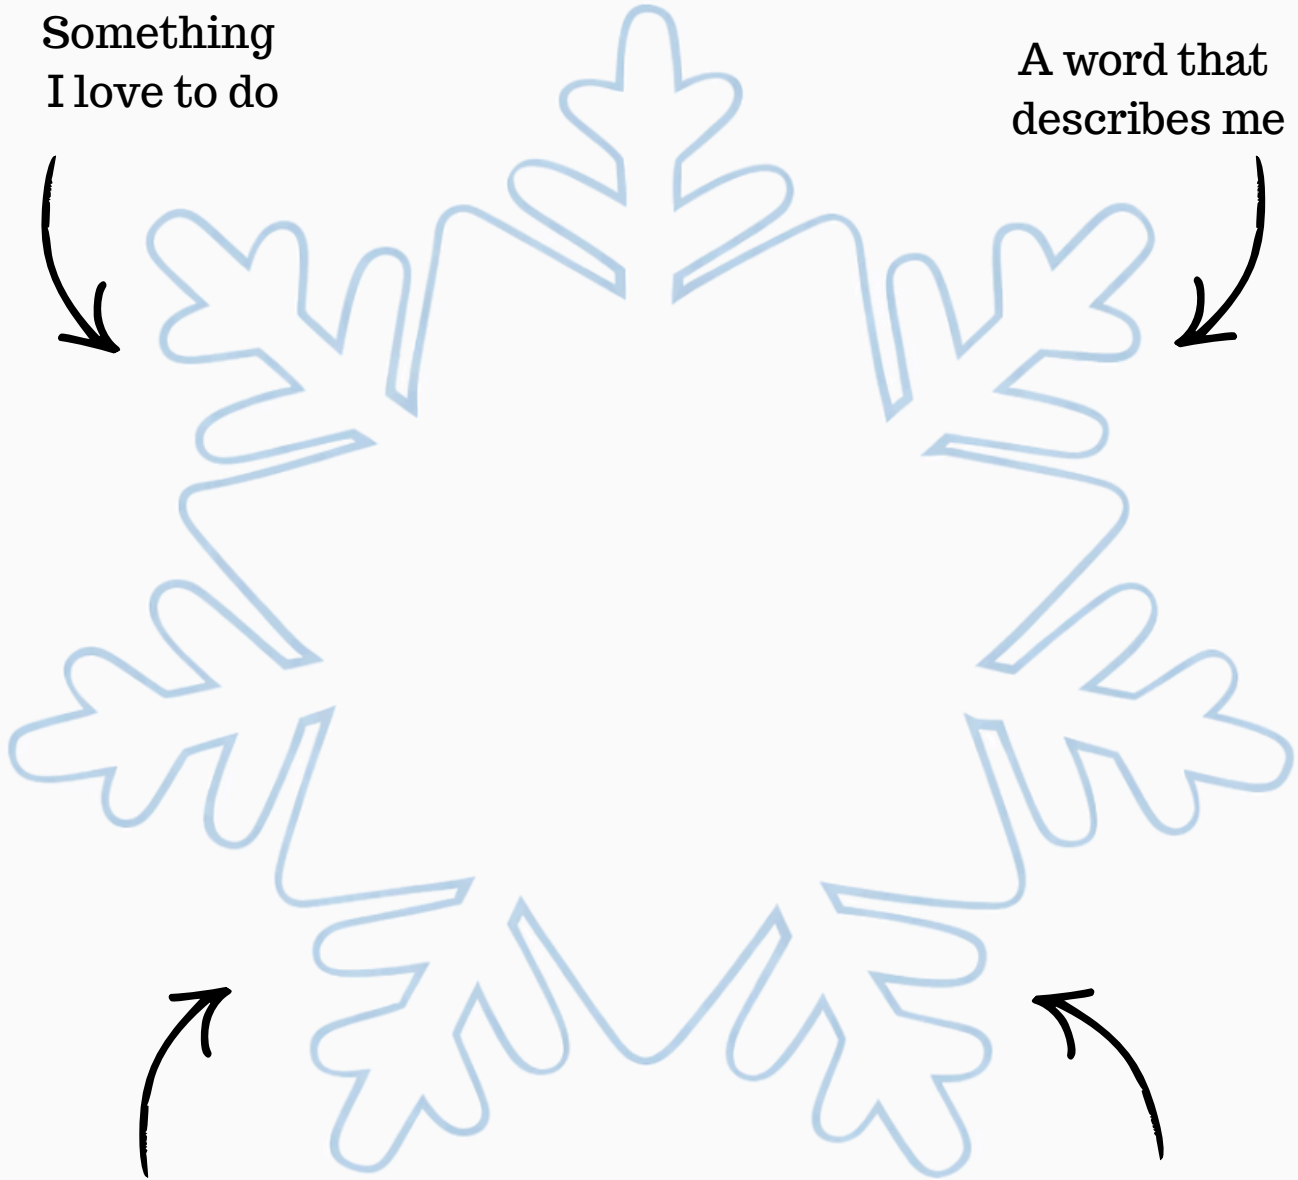

When you're finished, take a moment to look at your snowflake... and remember, no one else in the world is exactly like you.

My One-of-a-Kind Snowflake

*What makes me special...
Draw or write about what makes you unique!*

Something
I love to do

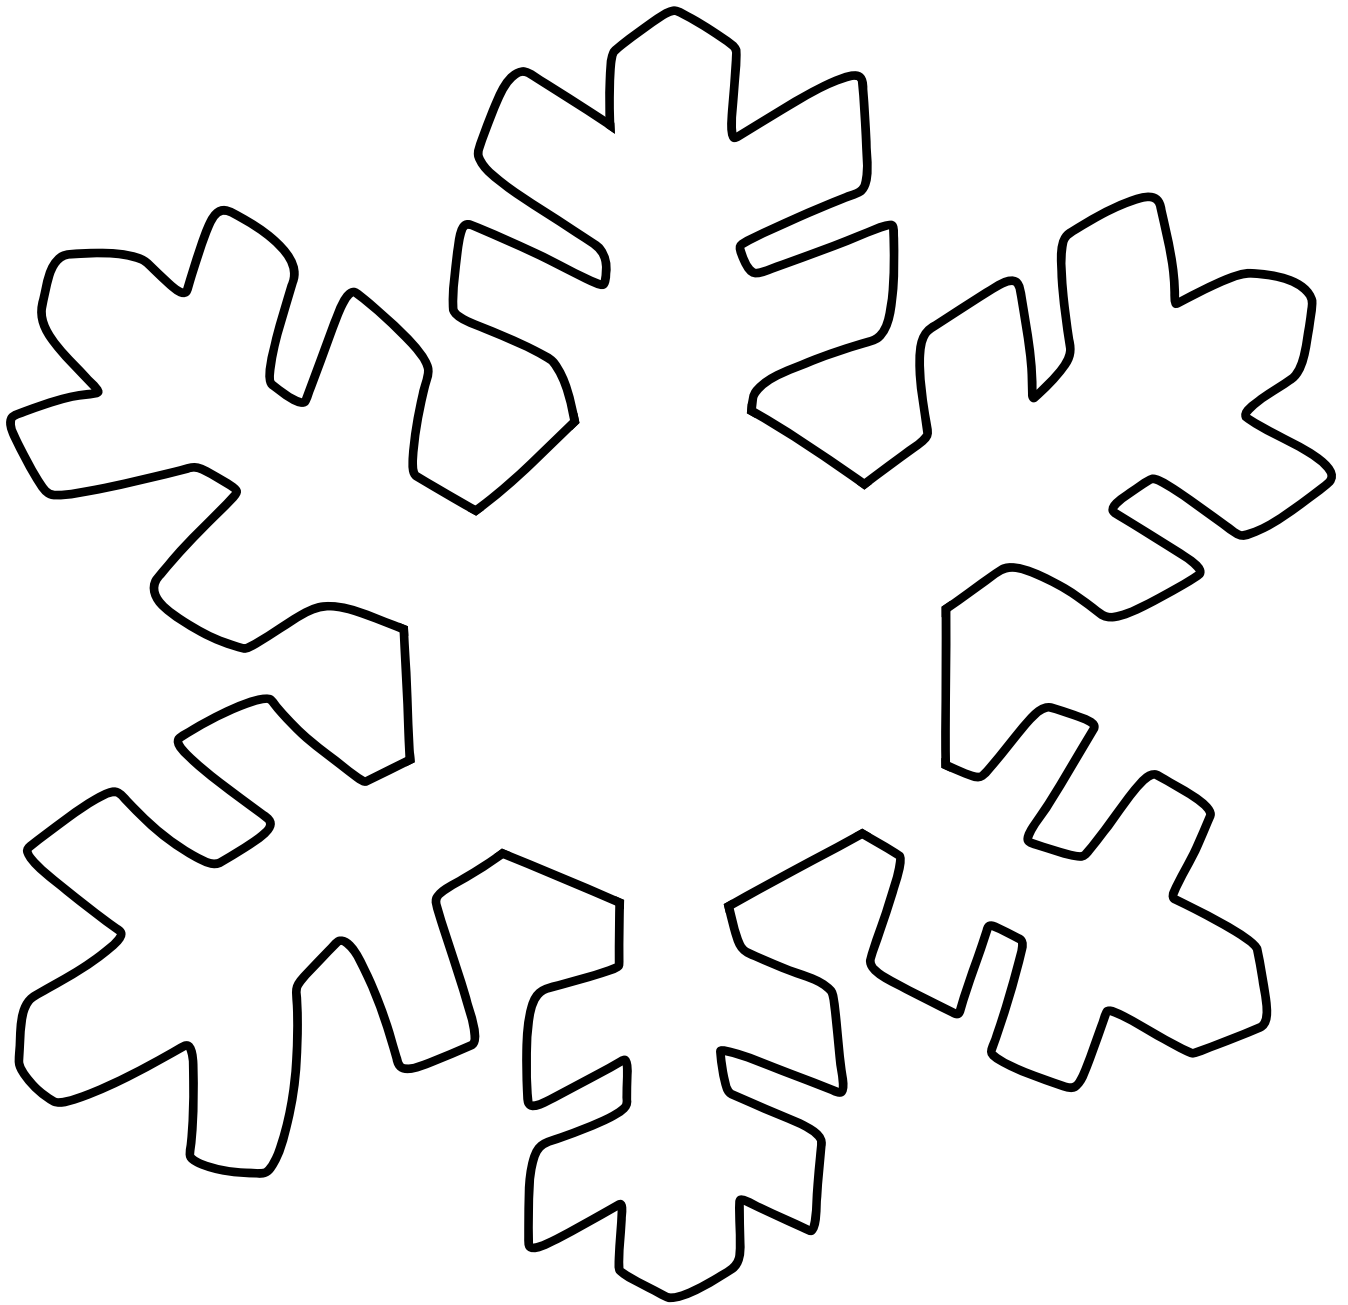

A word that
describes me

A special talent
that I have

What makes
me smile

I am One of a Kind!

Decorate and hang up to remind you that you are one-of-a-kind
