# *Summer Generosity Pack:*

*When We Share, the Magic Grows*

*Christmas Magic grows when what we  
have becomes something we share.*

# Welcome to the Summer Generosity Pack

*This little bundle is a gift from the North Pole to your home – filled with simple ways to share, give, and discover how generosity helps Christmas Magic grow.*

*Inside, you'll meet Auri, the Generosity Elf, explore meaningful acts of giving, and enjoy activities, conversations, and reflections designed to help your family share the good things you have with others.*

*Generosity isn't about how much you have. It's about what you choose to do with it. A smile, a helping hand, a kind word, a little extra time, or sharing something you treasure can all become gifts that brighten someone's day.*

*Just like a garden shares its flowers and a tree shares its fruit, Christmas Magic grows when we share what we've been given. Every generous act plants a little more joy in the world.*

*May each page remind you that generosity isn't something we save for special occasions. It's something we can practice every day – and every time we do, the Magic grows. ✨🏛️🌻*

# *Mrs. Claus's Intro Letter for the Summer Christmas Magic Bundle*

*My dear friends,*

*Summer has a wonderful way of reminding us that good things are meant to be shared.*

*The gardens are blooming, the days are longer, and everywhere we look, nature is giving freely – flowers sharing their beauty, trees sharing their shade, and fields preparing fruit for others to enjoy.*

*At the North Pole, we think generosity is one of the most powerful forms of Christmas Magic.*

*Not because it requires grand gifts or extraordinary efforts, but because it begins with something much simpler: noticing what we have and choosing to share it. A helping hand, a kind word, a few extra minutes, a favorite treat, or a smile offered at just the right moment can brighten someone's day in ways we may never fully know.*

*The wonderful thing about generosity is that it grows. Every act of giving inspires another. Every kindness shared creates a little more warmth, a little more joy, and a little more Magic in the world around us.*

*Inside this bundle, you'll find simple ways to practice generosity together. As you explore these pages, I hope you'll discover that some of the greatest gifts we can offer are already within our reach.*

*And remember, dear friends, Christmas Magic grows when what we have becomes something we share.*

*With sunshine, gratitude, and a heart full of growing Magic,*

*Mrs. Claus* 🌻 ✨ 🏠

***Auri the Generosity Elf***

## *Auri the Generosity Elf's Introduction*

*Hello there, friend! 🌻 ✨ ✨*

*I'm Auri the Generosity Elf, and I carry a special golden coin to remind me of something important: what we share has a way of growing.*

*Many people think generosity is about giving away big things, but I've discovered something different. A generous heart can share a smile, a helping hand, a kind word, a little extra time, or encouragement when someone needs it most.*

*When you look closely, you'll find opportunities to be generous all around you. Sometimes it's sharing what you have. Sometimes it's sharing who you are.*

*This summer, I invite you to become a Generosity Keeper. Notice the gifts you've already been given and look for ways to share them with others. Every generous choice helps Christmas Magic grow a little brighter.*

*And don't forget – you can color me in and bring my golden coin to life!*

*With sunshine and a pocket full of Magic,  
Auri the Generosity Elf 🌻 ✨ ✨*

# DESIGN YOUR GENEROSITY COIN

If you could create a special coin that spreads Christmas Magic,  
what would it look like?

## 🌟 A Note from the Elves

*Generosity isn't measured by how much you give. It's measured by the kindness and care behind what you share.*

*A generous person might share a toy, a treat, a helping hand, a smile, a special talent, or a little extra time. Every act of generosity has the power to brighten someone's day.*

*As you design your coin, think about the kinds of gifts that matter most. What would your Generosity Coin remind people to share?*

*Remember: Christmas Magic grows when what we have becomes something we share. ✨🏛️*

*Fill the basket with things you can give*

## A Note from the Elves

*Have you ever noticed that baskets are made to carry things from one place to another?*

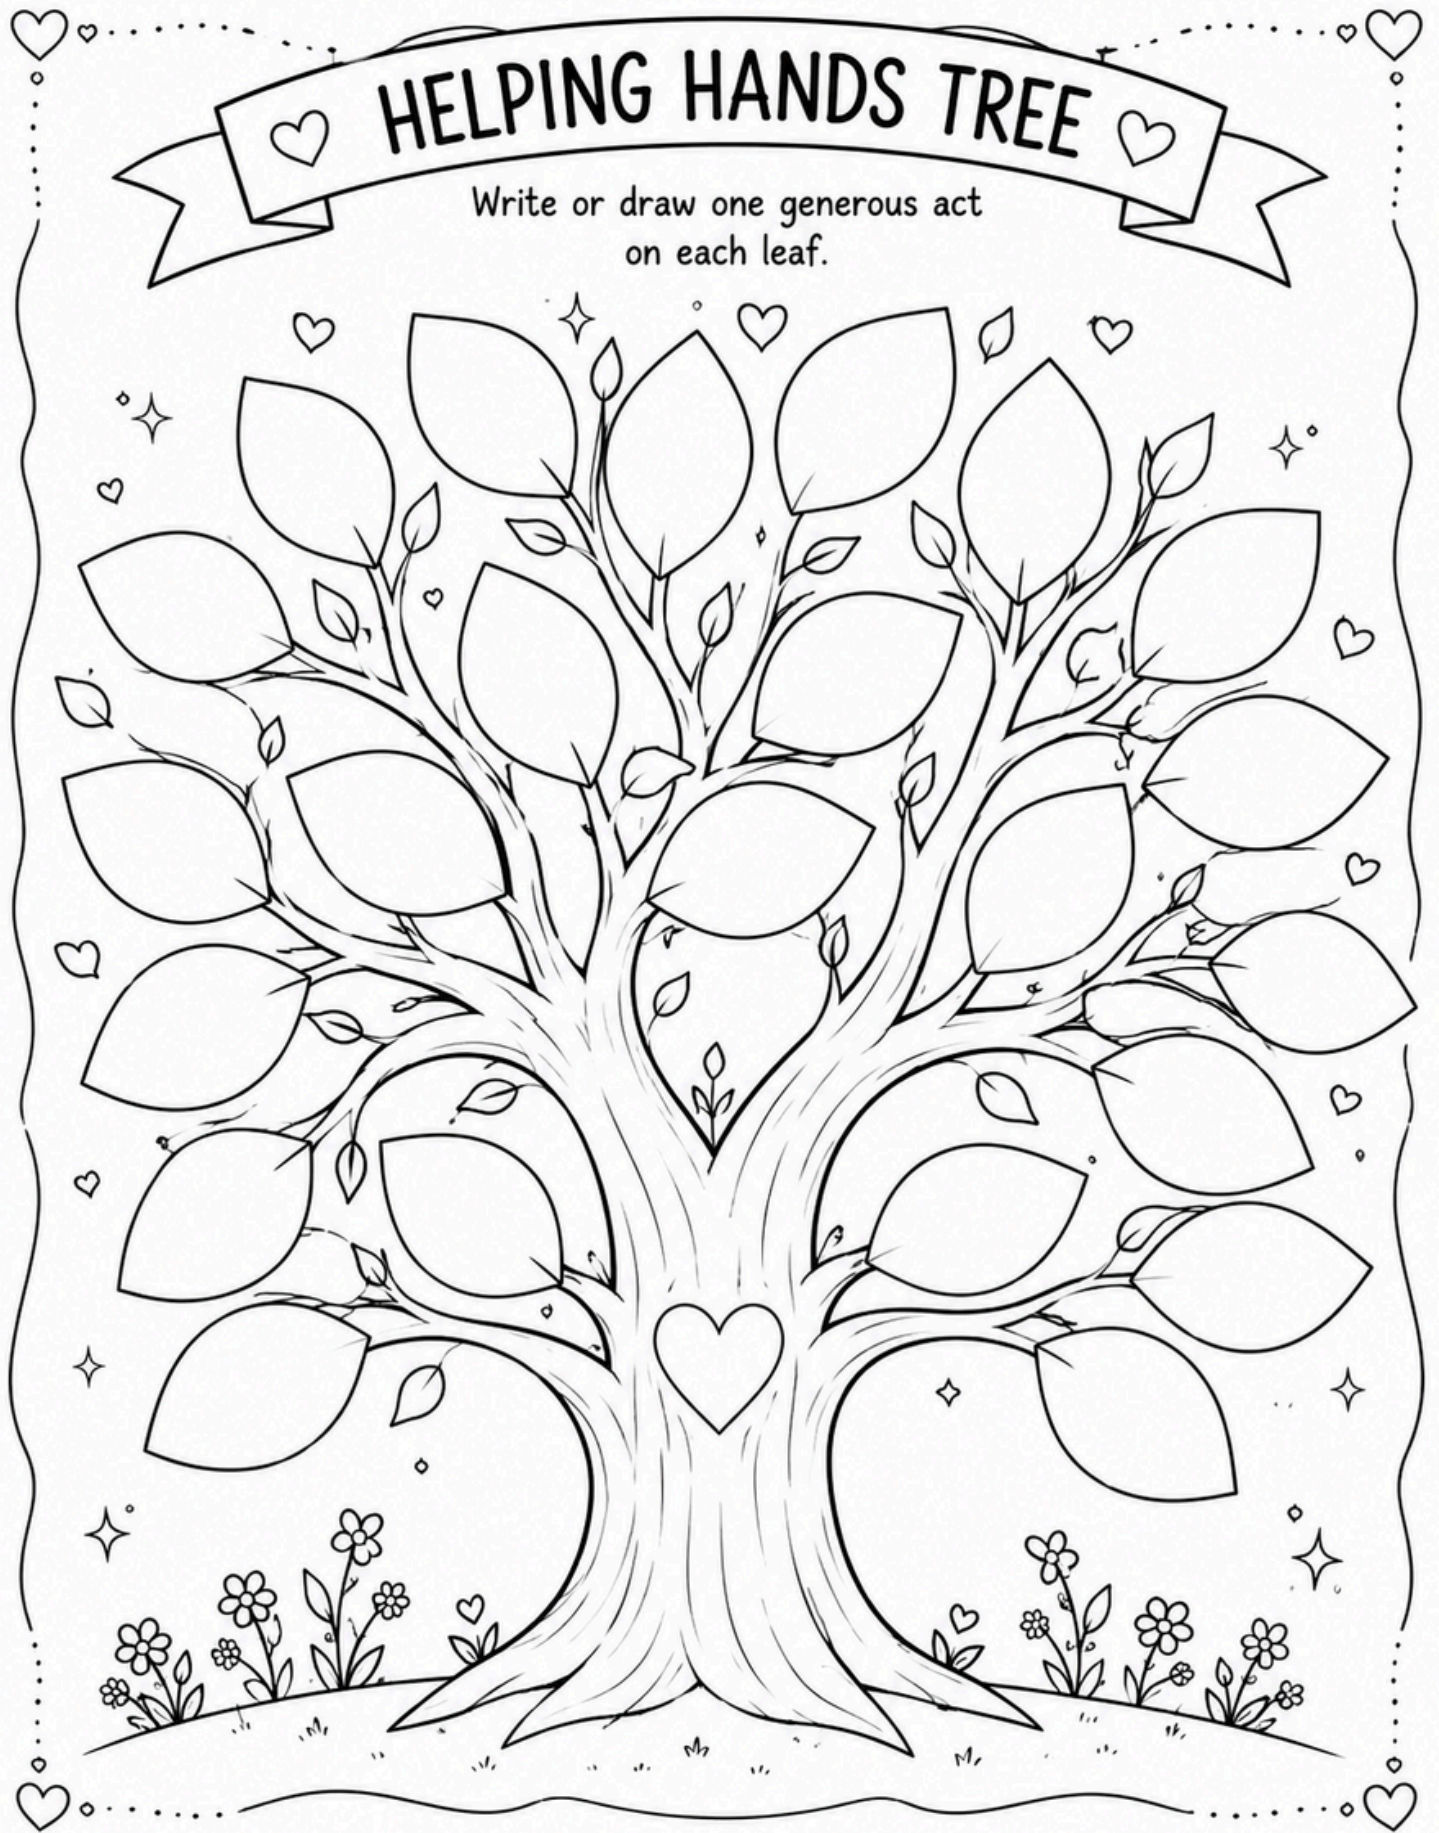

*Generosity works the same way. We receive kindness, encouragement, and help from others, and then we have the opportunity to pass those gifts along.*

*As you color your basket, think about the things you could fill it with. Not just treats and treasures, but smiles, kind words, helping hands, talents, and thoughtful actions.*

*The more we share, the more the Magic grows.  *

# HELPING HANDS TREE

Write or draw one generous act  
on each leaf.

## 🌟 A Note from the Elves

*Every generous act is like planting a seed.*

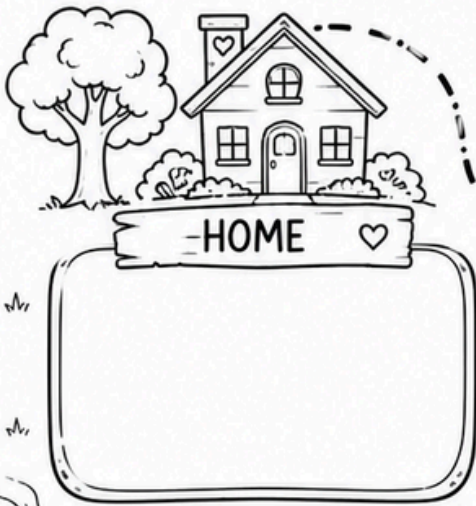

*A small act of kindness today can grow into something much bigger tomorrow. One helping hand often inspires another.*

*As you fill your tree with generous acts, imagine each leaf becoming part of a forest of Christmas Magic spreading throughout the world.*

*Little acts can grow into wonderful things. 🌳 ✨*

# GENEROSITY TREASURE MAP

Generosity can be shared in many places!  
Draw or write ways you can share generosity in each place.

## 🌟 A Note from the Elves

When most people think of treasure, they imagine gold, jewels, or hidden chests.

But some of the greatest treasures are kindness, friendship, encouragement, and generosity.

The wonderful thing about generosity is that you can find opportunities almost anywhere – at home, at school, in your neighborhood, at the library, or on the playground.

As you explore your treasure map, remember:

Every place you go is a chance to help Christmas Magic grow. 🏛️ ✨ 🌻
